Welcome

Dear Graduate,

After a truly incredible year, I am delighted to welcome you and your guests to the 2023 graduation ceremony of Ravensbourne University London. Today, we celebrate all that you have achieved, and we recognise the vital support that those around you have provided during your degree.

It is undeniable that it has taken not only hard work, but grit, determination, and creativity to complete your degree under the difficult circumstances caused by the pandemic. The graduands gathered here today are a unique, resilient cohort who are now primed for success. As you progress to the next exciting stage in life, whether that is further study or entering the working world, you should do so with confidence and pride. Regardless of what the future may hold for you, you should all remember that you have immense strength and tenacity which has helped you to succeed against all odds. We are proud to celebrate the whole class of 2023 for your unique perseverance.

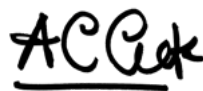

This cohort will be joining creative leaders such as Clare Waight Keller and Andi Osho who have previously completed studies at Ravensbourne and gone on to shine in their fields. Throughout your time here, we have encouraged you to utilise the talent and industry links around you. We hope that you'll maintain the amazing connections that you've made and continue to discover how collaboration can enrich your career.

We would like to continue to be a part of your journey and see what you get up to next; we really enjoy celebrating the many achievements of our alumni. Please do keep in touch and remember that we are always here to offer career guidance and post-study opportunities.

On behalf of everyone at Ravensbourne, I give you our heartfelt congratulations. I wish you the very best for the future and am entirely confident that you will all go on to achieve amazing things. Great opportunities await you and you can trust that you have the skills and determination to seize them.

I hope you and your loved ones make some wonderful memories today that you can cherish for years to come.

Best wishes,

A handwritten signature in black ink that reads "Andy Cook". The signature is written in a cursive, slightly stylized font. The first letter "A" is large and prominent, and the "C" is also large and loops around the "o". The "k" is written with a long, sweeping tail that extends to the right.

Year on reflection

Ravensbourne students are continually pushing creative boundaries and the class of 2023 is no exception. You have won countless awards, worked with prestigious brands, and showcased your work on the biggest of stages.

We are proud of everything you have accomplished.

London and Paris Fashion Week

Ravensbourne students were invited to showcase at one of the most prestigious events in the fashion calendar – London Fashion Week – for the third year running. The exhibit was a huge success and well attended by big names in industry.

A selection of students were also invited to exhibit their work at Paris Fashion Week in front of industry greats such as Louis Vuitton.

Big Wins

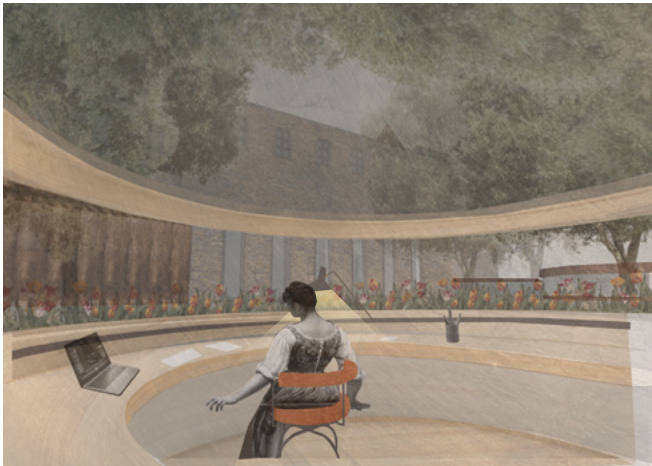

There have been excellent awards and significant scholarships given across all our departments. From New Blood awards in Advertising and Brand Design, to the Gensler scholarship in Architecture, you have scooped up accolades from a wide range of disciplines for your ground-breaking work.

Leading Brands

At Ravensbourne, we take linking up with industry very seriously and you all understood the memo perfectly. You have worked with Nike, Kopparberg, Dezeen and Roger Federer, just to name a few, and these incredible opportunities and collaborations have set you in good stead to make your mark on the working world.

Emeritus Professor

Professor David Crawford

David Crawford has a PhD in image coding, and has worked in both industry and academia in the UK, Europe and the US. During his career, he has pioneered research and development into new communications technologies and multi-dimensional media for educational, medical and humanitarian applications. At Ravensbourne, David has supported both the teaching and the knowledge enterprise activities; and has helped to facilitate work-based learning curricula and collaborative industry-academia training.

David has worked in senior positions at BT, Bell Labs (US), RE, Crown Castle and Harris Broadcast (Austria/France), leading teams in HDTV picture coding and digital audio/video research. He has chaired digital standards work groups in these areas for international organisations, including the European Telecomms Standards Institute (ETSI) and the Digital Video Broadcast Group (DVB). He was Business Director for a successful start-up company

TeamCast in France, and ran his own technical consultancy company for many years. David was the International Broadcast Convention (IBC) Conference Chair from 2006–09, and was Executive Producer of IBC's Future Technology Zone from 2010–20. David still organises, chairs and presents regularly at major international industry and academic events. He is also an Expert Assessor for research funding applications for Innovate UK and European Eureka projects.

David is a Visiting Professor at the University of Essex; Member of the Royal Television Society (RTS); Fellow of Society of Motion Picture Engineers (SMPTE); ex-Council and Board Member of the Institute of Engineering and Technology (IET); Honorary Chair of the Creative Science Foundation; and Special Interest Group Champion at Cambridge Wireless (CW). He is presently working with forward-looking universities like Ravensbourne to accelerate the transfer of knowledge and ideas from academia, and to foster new enterprise and business opportunities.

Honorary Fellow

Professor Helen Higson OBE

Professor Helen Higson is a dynamic academic with more than 35 years' experience working in Higher Education. She is an experienced deputy chief executive officer with a strong track record of leading at board level, including at executive-level within education and research.

Since her early days working as a university administrator, Helen has carved out an impressive career in academia. In 1985, she joined Aston University in Birmingham where she worked in a broad range of roles. She has gained a Masters, PhD and a National Teaching Fellowship and in 2011 was awarded an OBE for her contribution to Higher Education.

In 2021, Helen finished her tenure at Aston University as Deputy Vice-Chancellor. She is now Professor of Higher Education Learning and Management at Aston Business School. She is also a Principal Fellow of Advance HE and a National Teaching Fellow.

Her recent research, policy and consultancy work includes intercultural training, developing employability and skills development, facilitating a coaching culture, and closing the degree attainment gap.

Helen is proud to have served on the Board of Ravensbourne University London, ending as Vice Chair.

When she first began working at Ravensbourne, the institution was still in the process of securing university status. Since those early days, Helen has witnessed the university grow from strength to strength in terms of the size and scope of teaching and research. She has enjoyed helping to recruit the current top team and has contributed towards developing the institution's common academic framework.

Honorary Doctorates

Misan Harriman

Photographer, entrepreneur and social activist Misan Harriman is one of the most widely-shared photographers of this age. He is also the first black person in the 104 year history of British Vogue to shoot the cover of its September issue. In July 2021, he commenced his appointment as Chair of the Southbank Centre, London.

His strong reportage style and unique eye for narrative has captured the attention of editors and celebrities around the world. From documenting historic moments in history to photographing high profile celebrities, including Meghan Markle and Prince Harry, Angelina Jolie, Jay-Z, Tom Cruise, Julia Roberts, Giorgio Armani, Rihanna, Cate Blanchett and Olivia Colman, Misan is a photographer of extraordinary range.

His commissions include royal, private and high profile portraiture as well as reportage documenting and covering behind the scenes at

major awards, music festivals and film sets. His striking images have featured in Vanity Fair, Vogue UK, Harpers Bazaar, People Magazine and The Telegraph among others.

Misan is an outspoken activist supporting Diversity and Inclusion in the workplace, he is also a mental health campaigner with a keen interest in Dyslexia and Neurodiversity. He is currently exploring how web3 can help democratise merit based opportunity for disadvantaged artists on a global scale.

He is the founder of Culture3 whose mission is to explain and explore what Web 3.0 means for culture, commerce, and society.

Nigeria born, Misan was educated in England where he developed a life-long love for the arts. This led him to picking up a camera and honing his craft. He is completely self-taught, his work is inspired by Gordon Parks, Sally Mann, Eve Arnold, Bruce Davidson, Norman Parkinson and Peter Lindbergh.

June Sarpong OBE

June has enjoyed a 20 year career, in which she has become one of the most recognisable faces of British television. June began her career at Kiss 100 and later became a presenter for MTV UK and Ireland. It was when she started on Channel 4's T4 that she became a household name. June hosted 2005's Make Poverty History event and presented at the UK leg of Live Earth in 2007. In 2008, she hosted Nelson Mandela's 90th birthday celebrations in front of 30,000 people in London's Hyde Park. June has also interviewed and introduced some of the world's biggest names including HRH Prince of Wales, Bill Clinton, Al Gore and George Clooney.

She has worked extensively with HRH Prince Charles as an ambassador for the Prince's Trust, whilst campaigning for The One and Produce (RED). June was awarded an MBE in 2007 for her services to broadcasting and charity, making her one of the youngest people ever to receive an MBE. June was later awarded an OBE in the 2020 New Years' Honours List.

June is the co founder of the WIE Network (Women: Inspiration and Enterprise). This acclaimed conference has featured leading speakers including Sarah Brown, Melinda Gates, Arianna Huffington, Donna Karan, Queen Rania, Nancy Pelosi and Iman.

After living in America for eight years, June moved back to the UK in 2015, and was a regular panellist on Sky News' weekly current affairs discussion show, The Pledge.

June is also an author of three award winning books; 'Diversify: Six Degrees of Integration', 'The Power of Women' and 'The Power of Privilege'.

June's recently launched publishing imprint, 'The HQ Creative Inclusion Lab' with Harper Collins, gives a voice to those from underrepresented communities, with a focus on those with a disability, those from underrepresented ethnic backgrounds and people from working-class backgrounds.

Your certificate

You are the first graduates to be awarded our newly redesigned degree certificate.

The new certificate features a design inspired by the two rivers of Ravensbourne's history. The lines flowing along the left of the certificate represent the flow of the River Ravensbourne, from where the University gets its name. The dotted pattern winding across from left to right represents the River Thames as it curves around the Greenwich Peninsula, which has been Ravensbourne's home since 2010.

A lifelong connection

Welcome to the Ravensbourne alumni community, you're now part of an amazing network of changemakers that spans right across the world.

We are proud of how quickly our graduates get jobs in industry, often through contacts they made at Ravensbourne.

Our network

Our network is an amazing resource that can help you navigate and progress in your career.

Whether you're looking to take the first step on your career ladder, considering postgraduate study or wish to support the next generation of students; the Ravensbourne alumni community is here to help.

**Click to keep

Giving back and getting involved

We love to invite our alumni to return and share their knowledge and personal experiences with our current students. Our alumni find immense satisfaction in knowing that their journey can inspire today's students to reach their full potential and excel within their respective industries.

We're also seeking alumni who are willing to:

- visit their former schools or colleges
- visit us as a guest speaker
- be a mentor or panellist
- or even assist in evaluating our students' work in competitions.

Join the growing community of alumni who have already given back.

Scan the QR code on the left to sign up for our newsletter, and we'll be in touch with ways to get involved.

What's next?

Postgraduate study

Did you know we have a wide range of postgraduate courses here at Ravensbourne University London?

If you have recently completed an undergraduate course with us, you're eligible for a 20% discount on any one of our postgraduate courses as long as you start it within three years of graduating from Ravensbourne.

What courses are available?

We have a variety of postgraduate courses available, from creative courses to Computer Science, Project Management, Digital Marketing and MBAs, the list goes on! Some courses have multiple start dates – there are opportunities to join us in September, January or May. Visit our website for the full details.

These programmes offer you the opportunity to further your area of interest at a more advanced level. Our collection of innovative and career-focused courses are designed in close collaboration with industry to ensure you are learning the most up to date knowledge and skills.

This year we launched our first evening study options in three courses including the MBA, MSc Digital Marketing and MSc Project Management. Keep an eye out for more courses!

Apply now!

As a Ravensbourne Alumni, applying for your postgraduate course is quick and easy, simply scan the QR code and complete the short application form, and we'll be in touch very soon.

StartUp Lab

Ravensbourne is home to an inclusive and collaborative hub that supports and mentors entrepreneurial students with empowering business ideas.

We recognise at Ravensbourne that not all students want to go straight into the industry but in fact want to run their own start-up and lead the way.

Within our space we offer group programmes, workshops from business experts, access to one-to-one industry mentors, networking with investors, business planning and a professional sounding board from the StartUp team at Ravensbourne. Students can also work alongside founders and businesses in the space to collaborate and gain experience.

The latest ways you can get involved:

- We run six month accelerator programmes for aspiring graduate entrepreneurs. We will help you progress your ideas to operating start-ups. The next one will begin in September 2024 and you can apply from now.
- In January 2024, StartUp Lab is moving to a brand-new dynamic space that can be used for business meetings and networking opportunities.
- We have facilities to create content, podcasts and collateral to elevate your businesses.
- We run weekly events and workshops in the hub from experienced founders and thought leaders, just get in touch to book.
- We can help you find student interns and support on projects to help progress your business.

Get in touch with the StartUp Lab team, even if you are just at that lightbulb moment.
