# Welcome

Dear Graduate,

After a truly incredible year, I am delighted to welcome you and your guests to the 2024 graduation ceremony of Ravensbourne University London. Today, we celebrate all that you have achieved, and we recognise the vital support that those around you have provided during your degree.

It is undeniable that it has taken not only hard work, but grit, determination, and creativity to complete your degree. As you progress to the next exciting stage in life, whether that is further study or entering the working world, you should do so with confidence and pride. Regardless of what the future may hold for you, you should all remember that you have immense strength and tenacity which have helped you to succeed. We are proud to celebrate the whole class of 2024 for your perseverance.

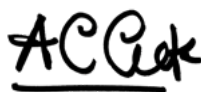

This cohort will be joining creative leaders such as Clare Waight Keller and Andi Osho who have previously completed studies at Ravensbourne and gone on to shine in their fields. Throughout your time here, we have encouraged you to utilise the talent and industry links around you. We hope that you'll maintain the amazing connections that you've made and continue to discover how collaboration can enrich your career.

We would like to continue to be a part of your journey and see what you get up to next; we really enjoy celebrating the many achievements of our alumni. Please do keep in touch and remember that we are always here to offer career guidance and post-study opportunities.

On behalf of everyone at Ravensbourne, I give you our heartfelt congratulations. I wish you the very best for the future and am entirely confident that you will all go on to achieve amazing things. Great opportunities await you and you can trust that you have the skills and determination to seize them.

I hope you and your loved ones make some wonderful memories today that you can cherish for years to come.

Best wishes,

A handwritten signature in black ink that reads "AC Cook". The signature is written in a cursive, slightly stylized font. The "AC" is written in a larger, bolder script, and "Cook" follows in a similar but slightly smaller script. A horizontal line is drawn underneath the signature.

**Andy Cook**  
Vice Chancellor  
Ravensbourne University London

# Year on reflection

Ravensbourne students are bold new thinkers who are already shaping industries at the intersection of business, creativity and technology and the graduating cohort of 2024 is no exception.

From projects for major brands such as Gymshark to pushing boundaries by designing creative business solutions across areas including AI, gaming and education. We are so proud of everything you have accomplished during your time with us.

Some examples of boundary pushing projects we have seen our brilliant graduates create this year include:

- Syed Hafeez delved into his passion for Equality, Diversity and Inclusion and looked at how deaf designers can be better integrated through inclusive business structures and changes in communication styles which benefit all. This compassion and empathy are a driving force throughout his work and mesh with his personal beliefs and commitments.
- Roshanak Haghighibardineh joined us from Iran and excelled in studying the interaction between AI and the decision-making process in product design. While a student, she organised her own online mini-symposium and workshop with product designers in Iran.

# Honorary Fellowship

## Professor Linda Drew PhD

Linda has a long and distinguished record in higher education and is also an experienced chair and board member in the creative and education sectors. Linda is the former Vice Chancellor of Ravensbourne University London (2015–2019) where she led the institution through strategic change and academic scrutiny towards the achievement of Degree Awarding Powers in 2017 and University Title in 2018. Linda has built a reputation for being a champion of the role of education for creative and digital practice at all levels and strongly supports innovation in creative and social enterprise.

Linda started her academic career as a lecturer at the London College of Communication and then at the London College of Fashion. While working there she began a pedagogic research and development practice. She was then appointed to Brighton University, to lead the National Subject Centre for Learning and Teaching in Art, Design and Media. This was followed by a sustained period as a Dean

at the University of the Arts London, most significantly leading Chelsea College of Art and Design. Linda then moved to the Glasgow School of Art, as Deputy Director, before returning to London in late 2014 to lead Ravensbourne.

She is founding editor of the highly regarded peer-reviewed research journal *Art, Design and Communication in Higher Education*, published by Intellect Books for over 20 years.

Linda is a Court Assistant at the Worshipful Company of Stationers and Newspaper Makers and has been a Governor at the Leigh Stationers' Academy in Eltham since 2015 and Chair of Governors since 2022. Current Board roles include Chair of Visit Greenwich and HE Governor at the Fashion Retail Academy.

Linda studied Fashion Design (BA Hons) at Saint Martin's School of Art, Design History (MA) at Middlesex University and Educational Research at Lancaster University (PhD).

---

# Your certificate

We are proud to award you with our newly redesigned degree certificate.

The new certificate features a design inspired by the two rivers of Ravensbourne's history. The lines flowing along the left of the certificate represent the flow of the River Ravensbourne, from where the University gets its name. The dotted pattern winding across from left to right represents the River Thames as it curves around the Greenwich Peninsula, which has been Ravensbourne's home since 2010.

# A lifelong connection

Welcome to the Ravensbourne alumni community, you're now part of an amazing network of changemakers that spans right across the world.

We are proud of how quickly our graduates get jobs in industry, often through contacts they made at Ravensbourne.

## Our network

Our network is an amazing resource that can help you navigate and progress in your career.

Whether you're looking to take the first step on your career ladder, returning to industry or wish to support the next generation of students, the Ravensbourne alumni community is here to help.

**Click to keep  
in touch**

## Giving back and getting involved

We love to invite our alumni to return and share their knowledge and personal experiences with our current students. Our alumni find immense satisfaction in knowing that their journey can inspire today's students to reach their full potential and excel within their respective industries.

We're also seeking alumni who are willing to:

- visit their former schools or colleges
- visit us as a guest speaker
- be a mentor or panellist
- or even assist in evaluating our students' work in competitions.

Join the growing community of alumni who have already given back.

Click the link on the left to sign up for our newsletter, and we'll be in touch with ways to get involved.

---

# 100%

**of our postgraduate students are in work or further education 15 months after graduation\***

# Entrepreneurial support

## StartUp Lab

Ravensbourne is home to an inclusive and collaborative hub that mentors entrepreneurial students and graduates with empowering business ideas.

We recognise at Ravensbourne that not all graduates want to go straight into industry, but in fact want to run their own start-up and lead the way.

Within our space we offer group programmes, workshops from business experts, access to one-to-one industry mentors, networking with investors, business planning and a professional sounding board from the StartUp team at Ravensbourne. Graduates can also work alongside founders and businesses in the space to collaborate and gain experience.

### The latest ways you can get involved:

- We run six month accelerator programmes for aspiring graduate entrepreneurs. We will help you progress your ideas to operating start-ups. The next one will begin in September 2025 and you can apply from April 2025.
- StartUp Lab has recently moved to a brand-new dynamic space that can be used for business meetings and networking opportunities.
- We have facilities to create content, podcasts and collateral to elevate your businesses.
- We run weekly events and workshops in the hub from experienced founders and thought leaders, just get in touch to book.
- We can help you find student interns and support on projects to help progress your business.

**Get in touch with the StartUp Lab team, even if you are just at that lightbulb moment.**
